ORINDA SUN

Vol. IX, No. 18 — Lafayette — Orinda, California — Friday, July 20, 1951 — TEN CENTS

Supervisors OK Rheem Glen After Tour of Grounds

By unanimous action the Board of Supervisors Monday approved the map for Rheem Glen, 13-lot subdivision at Rheem Boulevard and St. Mary's Road.

In doing so, the board granted the appeal of Donald L. Rheem and the Moraga Company from the 7-2 disapproval voted recently by the Planning Commission.

BOARD CHAIRMAN Jack Cummings stated that the supervisors had toured the area on foot last Friday and were satisfied that is was safe for residential construction.

Arguments as to whether slide dangers menace Rheem Glen had marked previous sessions of county planners and supervisors on the subject.

The Planning Commission with Commissioners John Stoffel and Arthur Young dissenting, had based its disapproval on a report by Wakefield Dort, Stanford University geologist who had been hired by the county to study slide potential at Rheem Glen. Dort stated that in his opinion much of the land was unsafe for building.

THE RHEEM INTERESTS' opposing contentions found support in a report by Chester Marliave, consulting geologist, who described the area as suitable and safe for building and who declared that slide areas were on the opposite side of the creek and not in the 13 lots.

Motion to approve the map was made by Supervisor Ray Taylor, seconded by Supervisor Ivan Goyak

IN THEIR VISIT TO the site, the supervisors were accompanied by Draeger.

"We went over every bit of the ground, on foot," Cummings said. "There was no evidence that slides would affect the area. It's the opinion of the board that residential building would not be adversely affected.

"At the previous hearing session before the board, we listened to the geologist, Mr. Marliave, explain the whole thing.

"The board feels that perhaps all the planning commissioners had not viewed the grounds."

S. F. Complains Our Bookies Are Moving in There

Contra Costa County bookie operators are moving into San Francisco since the Senate Crime Commission Committee investigation has cooled off, San Francisco District Attorney Thomas Lynch complained today.

Evidence uncovered in recent San Francisco raids indicate two syndicates which have been operating here are now trying to get a foothold across the bay, according to Lynch.

Lynch said one syndicate was apparently headed by Archie R. Scheffer ,millionaire real estate operator indicted recently with 12 other alleged horse race bookmakers. The other was identified only as a "Mr Big" who moved into San Francisco after getting his start here, according to Lynch.

El Toyonal Grass Fire Extinguished

Three pieces of equipment and about 10 Orinda firemen quickly extinguished a grass fire at upper El Toyonal and Las Piedras Wednesday evening.

Assistant Fire Chief Al Winsor reported that only a couple of acres of brush were burned, and that there was no other property damage.

Cause of the fire was undetermined, but the assistant chief said, "We have a hunch it was caused by children playing with matches."

The Weatherman Turns on That Hot Stuff Again

Orinda's weatherman came back from his vacation, looked around and decided he had been slighting the populace, then turned on the heat.

Up, up, up, went the temperature Wednesday, till Orindans were sweltering in 102 degrees of that stuff you can't get your furnace to give out in winter. Uh huh, heat.

Minimum for the period from July 12 through July 18 was the 45.5 recorded on July 14.

12-Year-Old Allen Sutton Looms as Eagle Scout, Needs Five Merit Badges

With 17 merit badges to his credit already, 12-year-old Life Scout Allen Sutton, member of Orinda Boy Scout Troop 207, hopes to be an Eagle Scout by Septtember.

To reach this attainment, not usually won by boys under 14, Allen plans to complete the remaining five meriits achievements by August. The merit badges he already has are for many of the more difficult achievements including marksmanship, rowing, swimming, life saving, music, cooking, home repair, dog care, plumbing, painting, art and public health.

Returning recently with 23 other troop members from vacation at Camp Wolfeboro, official camp of Berkeley-Contra Costa Council of Boy Scouts, Allen had added new honors to his credit. Out of 600 scout contestants in a camp rifle match, Allen placed first with a 115 score out of a possible 200. He is to receive a plaque for his prowess.

Terry Ginsberg of Troop 207 placed second and Hart Corbett, third, in the rifle competition.

Dave Olson was acting scoutmaster for the Orinda boys. Joe Esser was camp director and Gordon Hawkins of Walnut Creek, assistant.

Allen is the son of Mr. and Mrs. O. W. Sutton of Las Vegas Road.

Don Tibbitts Hurt in Crash

Don Tibbitts, 26, 110 Lombardy Lane, received apparently minor injuries recently when he was riding as a passenger in a car that became tangled in a rear-end collision on Mt. Diablo Boulevard at Hidden Valley Road, Lafayette.

According to the California Highway Patrol, Tibbits, who was in an auto driven by Elmer Jone, 48, Concord, required no service.

Three other cars were in the accident, which occurred June 28. Minor injuries were reported sustained by drivers Lyndon Mayeskie, 49, 2 Diablo Circle, Lafayette, and Robert Coppock, 30, Exeter. Helen Tompson, 27, Pittsburg, a passenger in a car driven by Loren Tompson, 30, Canyonville, Ore., was also injured and was taken home, the patrol stated.

Rites Held for Orindan's Mother

Funeral services for Goldie Florence Smith, mother of Mrs. Norma Smith Sturke of Orinda, were held Monday at the McNary Berg Chapel, Berkeley.

Other survivors include a son, Donald Smith of Oakland; her mother, Mrs. Emma Hamilton of El Cerrito, five sisters and a brother, all of the Bay Area. A native of Kansas, Mrs. Smith was 48 years old. Interment was at Sunset View Cemetery.

Acalanes Maintenance Work Now Under Way

Maintenance work is under way at Acalanes High School during the summer vacation months.

Trim painting, cleaning, gardening and continued development of some of the courts with lawn are in process.

Fire Budget Meet Awaits Facts on Assessment Roll

An official budget meeting of the Orinda Fire Board to set a tentative budget for the fire district for the 1951-52 fiscal year, awaits information on the assessed valuation of the district, Fire Commissioner Gilbert Earle stated yesterday.

"President Warren Harrold of the board plans to call a budget meeting when he gets the assessment roll figures," Earle said. "Apparently he hasn't yet obtained that information from County Auditor D. M. Teeter's office."

Next regular monthly meeting of the fire board will be held next Thursday night at 8, at the fire house. Earle said that if Harrold gets the assessment information shortly before then, the budget meeting will probably be held Thursday night.

However, if the information is not forthcoming before then, a special meeting will probably be held later, he pointed out.

Originally, it had been intended for the June 28 meeting of the board to be a budget session. But because of the commissioners' desire for facts on assessed valuation, to be used as a guide in budget deliberations, the meeting was devoted mainly to administration and routine matters.

Chamber Meeting Is Postponed

The meeting of Orinda Chamber of Commerce scheduled for yesterday noon was postponed because of vacation schedules. It will be held August 2, according to Bill Worden, publicity chairman.

E.B.M.U.D. Land Topic of Joint Meet Monday

Indications this week were that the question of the Crossroad area's future was becoming something akin to the traditional "hot potato."

The regular monthly meeting of the Orinda Association's Civic Affairs Committee, originally scheduled for last Monday night, was postponed for a joint session next Monday night with the association's Board of Directors. Reason, according to Civic Affairs Secretary Joseph Downs, was to discuss the E.B.-M.U.D. land problem.

POTATO OR NOT, the subject was plenty not when the association's board, at its June 25 meeting, unanimously passed a motion by Stanley Allen opposing reported ulans of East Bay Municipal Utility District to seek rezoning of some 30 acres of pine grove land at the Crossroads.

The board, "on the basis of present available information," went on record against "any change away from the present zoning of one-half acre Residential-Agricultural."

ACTION OF THE DIRECTORS followed efforts by a committee consisting of representatives of the Civic Affairs Committee and E.B.-M.U.D. officials to work out some agreement on plans for the section, which is included in the Orinda area property that the utility district is preparing to offer for sale.

It also followed by one week a meeting of the Civic Affairs Committee at which Phil Wagner, E.B.-M.U.D. land agent, disclosed that that E.B.M.U.D. hopes to have the pine grove land rezoned for business before offering it for public sale, and at which delegates objected to multiple dwellings, which Wagner mentioned as a possible "buffer strip."

Wagner and John W. McFarland, utility district manager, are the two E.B.M.U.D. representatives on the joint committee.

Next Monday night's session is scheduled for 7:30, at Orinda School. That is where the board holds its regular monthly meeting the fourth Monday night of each month, at that time.

Women Realtors Hold Noon Meet

Members of the Women's Division of the Contra Costa Real Estate Board held a noon meeting at Hal's Wednesday.

Following a Smorgasbord luncheon, Attorney John Nejedly addressed the group on "Legal Points of Real Estate."

Helen Haines is president of the Women's Division.

Thursday Will Be Blood Bank Day

Five and a half hours next Thursday—1 to 6:30 p.m.—will be Blood Bank hours in Orinda.

During that time the Bloodmobile Unit, arranged for by the Mt. Diablo Chapter of the American Red Cross, will be stationed at Orinda Grammar School.

For information and appointment, phone Mrs. James A. Felchlin, Orinda 5711.

Red Cross officials stress that the need for donors is urgent.

Donors are advised to eat a good breakfast and lunch before going to the Blood Bank—but just be sure you don't eat any fatty foods or cream for four fours before your appointment.

New Fire House Completion Seen By Early August

With interior painting being done, Orinda's No. 2 fire station at Orchard Road and Moraga Highway is expected to be ready for occupancy the early part of August, Hancock Construction Company of Lafayette stated today.

A company representative said that the first part of next month should see completion of the work called for in the original contract.

Architect Jack Buchter disclosed that request had been made for some additional grading but said that this would not delay completion.

FOLLOWING PAINTING of the interior and the engine room, work remaining to be done includes installation of lighting and plumbing fixtures, laying the asphalt tile and putting the driveway in. Also, the sewer connections must be finished.

The Hancock respresentative stated that the original contract called for copper tubing in the slabs but that the government "clamped down" on copper tubing. Rayduct, a steel tubing, has been substituted, with the approval of the Orinda Fire Board, he said.

THE NEW $24,825 station will under the administration of Assistant Chief Al Winsor, who will have two full-time men on duty during both shifts, in addition to himself. The station will house two pumper fire trucks.

At the present station, No. 1, a six-man day force and a four-man night staff will serve under Chief H. E. Wyatt. There will be four trucks, a fire rig pickup and the chief's car at the main station.

Eight new full-time men were added to the fire-fighting force July 1—Howard B. Gorman, William J. Koch, Roy R. Clark, Ernest E. Hendricks, Edward J. Higgins, Lloyd L. Vascancelles, Benjamin J. Carter and Edward Bruno.

A ninth man will be added in September, to replace Fireman Richard Boucher, who will leave to continue his studies at the University of California, according to Winsor.

Withdraw Request For Dog Training At Charles Hill

Because of vigorous objections by residents of the area, M. A. Dolio has informed the Planning Commission that he and G. Emslie are withdrawing their application for dog training quarters some 1,200 feet east of Charles Hill Road, on the north side of Mt. Diablo Boulevard.

This brought the continued hearing on the matter to a close at the Planning Commission meeting in Martinez Tuesday night.

According to Planning Technician Tom Heaton, Dolio, owner of the property, telephoned the Planning Commission that tthe application was being withdrawn and that a letter to that effect was to be sent to the commission.

HEATON SAID THAT letters informing them of this development were being sent to those who had voiced strong opposition to the application. These objectors include Robert Pedder, President F. O. Pearce of the Monte Vista Improvement Association, Thomas N. St. Hill and Harvey B. Lyon.

Heaton stated that Dolio's reason for withdrawal was that he did not want the controversy to continue. Robert Pedder was present at Tuesday night's session, the technician said.

EMSLIE AND HIS WIFE, Melvina, operate the Kalua Kennels south of Walnut Creek. He had declared that although the application was for a dog training school permit, the place would not really be a school since he did not intend to take in more than six dogs a month for training.

Emslie further contended that the proposed training quarters would be far back from the highway.

For these reasons, he maintained, there would be no disturbance from unusual barking.

Objectors, on the other hand, pointed to investments of home owners and stressed that a dog training school would be detrimental to the residential area.

Another Market Hit by Burglars

With another food market victimized this week, big question in the minds of merchants throughout this area is:

Where and when will the "Streamlined Gang" of burglars strike again?

That the burglars are streamlined in calculated method and constitute a gang was indicated by the theft of 50 cartons of cigarettes from the Pleasant Hill Market, Pleasant Hill and Gregory Roads, early Sunday morning.

Inspector Norman Wilson of the sheriff's office said that the thieves' manner of operation and the general nature of their loot were "exactly" the same as those in other recent burglaries of markets in Walnut Creek, Orinda, and Lafayette.

IN EACH INSTANCE the hoodlums have deftly made their "haul" with practically no disarrangement of other items. In most cases they have concentrated on cigarettes, liquor, money, or combinataions of these.

Because these facts point to a carefully planned course of action, merchants feel the label "Streamlined Gang" fits the burglars better than the designation of "Playboy Burglars," which has also been used.

Entry into the Pleasant Hill Market was made by breaking the front door; exit was by a side door.

Deputy Sheriff Frank Rizzio, assigned to investigate the case, pointed out that the burglars, apparently frightened, did not make off with all the loot they planned to take. Four boxes of cigars, removed from the counter, were left in a basket which the thieves were using to hold merchandise.

Owner Edward Delu, who resides in an adjoining building, left early Sunday morning on a vacation trip. Rizzio said it was possible his movements may have frightened the burglars.

INSPECTOR WILSON SAID no clews had developed as to identity of the thieves. "They could be professionals, or they could be amateurs," he stated .

According to Wilson, this latest burglary tends to strengthen the theory that a well-organized gang is systematically preying on food markets in the area and disposing of the loot to an illegal middleman, or "fence."

The Pleasant Hill Market burglary followed three in the preceding nine-day period — the Orinda Store on Orinda Highway in the Village on July 11, the Big Tree Grocery on Geary Road, Walnut Creek, on July 7, and Black's Market at Orinda Crossroads on July 6.

In Lafayette, the Super-Saver Market was the burglars' "port of call" June 20, and Lafayette Food Center was "visited" by them June 1 and 10, and also several months ago.

THE LIST OF LOOT taken at these stores includes:

Orinda Store — About $25 in small change from the three cash registers. (The safe had been wheeled to the front sidewalk but was abandoned. A case of whiskey in pint bottles had been moved to the liquor department doorway, and one pint bottle was left by the front door.)

Big Tree Grocery — Five cartons of cigarettes and a case of beer.

Black's Market — $60 in cash, three cases of whiskey, three and a half cases of cigarettes.

Super-Saver Market — 25 cases of bonded whiskey, a half-dozen cases of cigarettes, $106 in change.

Lafayette Food Center — June 10: between $200 and $300 in cash; June 1: $2.50 from cash registers in the grocery and meat departments: February 2: about 150 cartons of cigarettes.

EARLY IN APRIL, Willy's Creamery and Marzel's women's apparel shop, next door to each other on Mt. Diablo Boulevard, Lafayette, were broken into but apparently nothing was taken.

The intruders lowered themselves into Marzel's by means of a rope ladder placed through bored holes in the roof, hacked a hole through the roof of Willy's Creamery and used the rope to get in there and then left through the rear of the creamery.

Sewer Board Hears Pleas from Three School Districts

Assessment diagrams for Local Improvement Districts 13, 18 and 21, authorization of repair work in sections of the district system, setting up of numerous connection fees and consideration of requests and inquiries from three school districts occupied a recent meeting of the Central Contra Costa Sanitary District board of directors.

L.I.D.'s 13 and 21 are in Orinda area and No. 18 is in Pacheco area.

Neil Parsons, district superintendent of Acalanes Union High School, inquired regarding the status of availability of sewer service for the proposed new high school site in Moraga Valley. Tentative consideration was given the matter.

REPRESENTATIVES FROM Orinda School District requested the Sanitary District assume control of proposed pumping facilities at the projected new Washington Lane school site near Sleepy Hollow. However, the Sanitary District held to its original views in earlier conferences that the school district should handle the maintenance.

A request of Mt. Diablo Unified School District that the Sanitary District accept a school site outside its boundaries, east of the Southern Pacific Railroad and north of Hookston Road, for sewer servicing, was held over for later decision.

The board approved purchase of a vacant lot adjoining the Sanitary District office at 1822 Mt. Diablo Boulevard, Walnut Creek, for $8,500. The area was purchased for convenience of patrons' parking and future expansion of the district.

OTHER BUSINESS ON the agenda included authorization for storm damage repair to district lines and facilities, installation of a 30-inch by-pass line at the treatment plant and other remedial work.

Connection fees for business properties adjacent to the main sewer north of Sherman Acres, near the Monument, were set up.

Its new policy on watersheds was set forth in a letter from East Bay Municipal Utility District read at the session.

In essence, E.B.M.U.D. promised its cooperation with sanitary districts and county and state health authorities not to release watershed lands for sale for human occupancy unless adequate sanitation facilities are available.

CAL-VET LOANS

The increase in the maximum amount of the low-interest "Cal-Vet" farm and home loan which has been signed into law by Governor Earl Warren will not be applicable until the latter part of September, interested veterans in Contra Costa County are notified by J. W. Hammond, county veterans service officer.

1951 POLIO POINTERS
DON'T GET CHILLED
DON'T MIX WITH NEW GROUPS
IF POLIO COMES
DON'T GET OVERTIRED
DON'T HAVE MOUTH OR THROAT OPERATIONS
RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

These are precautions recommended by the National Foundation for Infantile Paralysis when polio is around. Also, wash hands before eating and be on the alert for such symptoms as feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. If the disease does strike, call your doctor promptly, follow his advice. Your local National Foundation chapter will provide needed assistance.

Camera Club Fans Have Competition

Contra Costa Camera Club met at Orinda Community Church last week and participated in a black and white and color competition. Judge for the event was Elmore C. Adams, A.P.S., member of the California Camera Club and salon exhibitor.

Winners were: Beginners' Division: 1st, Don Hansen; 2nd, Dr. Le Roy Hahn; 3rd, Dick Allman; 4th Dr. LeRoy Hahn; 5th, Dr. LeRoy Hahn.

ADVANCED DIVISION: 1st Wes Rhoades; 2nd, Jule and Alvina Lindsey; 3rd, Jack Davis; 4th, Jack Davis; 5th, Guy Spencer.

Salon Division: 1st, Ben Randall; 2nd, Ben Randall; 3rd, Challiss Gore.

COLOR DIVISION: 1st, Ben Randall; 2nd, Irene Spencer; 3rd Ruth Rhoades.

Among new members and visitors at the session were Paul De Carr, a salon exhibitor; Mrs. Amelia Hickok, Hazel Benning, Ken Lozier and his son, Arthur Lozier.

Photography fans are reminded that an interesting and instructive meeting is scheduled for the Walnut Creek Recreation Building July 23. Contra Costa Camera Club will be host to Inter-Club and invites all persons interested in photography to attend.

COASTING DOWN GRADES

Coasting down a grade is an illegal and highly dangerous practice, warns the National Automobile Club. When you come to the top of a long grade, stop your car, decide what gear you will need to use to descend, get into that gear and then descend in safety.

Kracke To Attend Builders Confab

Frederick C. Kracke, 1870 Glenview Drive, Walnut Creek, will attend the annual summer conference of the Executive Officers of the National Association of Home Builders to be held in Madison, Wisconsin, August 1-3.

This year's conference will be of utmost importance as top officers of the association will discuss contemplated building programs limited by present credit restrictions, according to Stetson Shuey, Chairman of the Home Builders Council of California.

Kracke will represent the General Contractors Association of Contra Costa County and is the Walnut Creek Home Builders Council secretary. Several other executive vice-presidents from the Bay Area are also planning to attend.

Propose $200,000 Bowl at Pacheco

Hope for a $200,000 Recreation Center at Pacheco to house 16 bowling alleys rested today on a stock selling venture proposed by Jack Kramer, owner of Pacheco's Paddock Tavern.

Kramer says he has authority from the National Production Board to proceed with construction of the $200,000 Pacheco Bowl with the private corporation including his wife, Lorene, and his mother, Mrs. Minnie Kramer, as well as Mr. and Mrs. Jerome Corbett of San Francisco.

He proposes to start construction next month and have the bowling alleys ready for opening next January 5. Approximately $50,000 in stock will be sold.

Bids for construction will be called for late this month, Kramer announced. The National Production Board permit is valid for only 60 days. Construction must be under way within that period or the certificate becomes invalid.

Upholstery Class Will Be Held at Acalanes Center

Three classes in upholstering will be offered at Acalanes Adult Center at the high school this summer, next Thursday and continuing for six weeks, it is announced by George Houghton, Adult Education Program director.

Registration for the classes will be taken at the high school next Monday night from 7:30 to 8:30. Houghton urged those interested to register Monday night, since full classes are expected.

An evening class will be conducted Thursday and Friday nights, 7 to 10. An afternoon class will be held Thursdays and Fridays, 1:30 to 4:30. A morning class is scheduled for Fridays, 9 to noon, and Saturdays, 9 to 1.

Support Urged For County Fair

Urging countywide interest and support of the County Fair at Antioch, directors of the Contra Costa County Development Association have called upon association members to attend the celebration, which will have a four days run beginning August 9.

"The County Fair at Antioch, now in its 11th year, has developed into a show and exhibition completely worthy of our county," an association statement says. "It requires countywide interest to advance it to the position of one of the outstanding county fairs of the state and that can be accomplished only by attendance and exhibits.

"The directors of the development association have already urged upon industries and commercial institutions of the county their participation through exhibits. We now urge upon our people their attendance as individuals. There has been some response to the urging of industrial and commercial participation, which, we feel sure will provide the spur that will mean participation as the years progress."

FROM MILTIE

If you're going to paint some furniture or woodwork, save yourself some trouble by using the best paints obtainable. The amateur can do a good paint job if he or she takes sufficient pains but what a terrible waste to throw away many hours of careful work on poor materials.

Of course, this silly column coming from a furniture store that sells nothing but finished furniture is an awful place for us to be telling you how to paint furniture isn't it? The best thing to do is to buy beautiful, lovely gorgeous maple to begin with and then you will never have to worry about painting that horrible unfinished stuff, but for any other painting you have to do, the advice given above is pretty good.

Letting clean hot water run down the sink drain for a moment or two after you finish washing dishes will make the drain less likely to clog. The hot water clears out soap and grease accumulations.

Republican Group To Hear Speaker on Reapportionment

A date in early August will mark the third genral meeting of the newly formed Contra Costa chapter of the California Republican Assembly, according to Mrs. Buryl Pricer of Walnut Creek, secretary.

The tentative date was set by directors at a July 12 meeting at the home of George Neill in Lafayette.

Voters of Walnut Creek, Concord, Lafayette and Orinda will be invited to hear a discussion of state reapportionment at the August session. A definite date is to be announced later, Mrs. Pricer said.

Aim of the chapter is to encourage all citizens to register and vote, disseminate accurate information on proposed measures and candidates, develop interest in the ideals of self-government, endorse candidates and encourage public forums.

At the group's initial meeting last May, James Whitney of Walnut Creek was elected president Mrs. Buryl Pricer of Walnut Creek, secretary; George Neill, Lafayette, vice president, and Roy J. Heffner and Joseph R. Creighton directors-at-large.

More information can be had by telephoning J. J. Pangburn, membership chairman, at Walnut Creek 3764.

Plans Unity Program

The Mt. Diablo Parent-Teacher Association Council's program committee plans a meeting next month to promote closer relationship between the Council's individual school groups ,according to Committee Chairman Mrs. H. B. Neller.

Affiliated units represent Walnut Creek, Danville, Alamo, Moraga, Mt. Diablo Unified District and Martinez, Mrs. Keller said. The Council proposes to acquaint the individual units with services offered by County agencies, it was pointed out.

The committee met recently at the Walnut Creek home of Mrs. Elliott Mauzy, Council president.

Kite Flying Expert Breaks Up Picnic; Blames 'Off Season' for Hectic Day

Kite flying can be fun, but it'll be a long time before you can convince Havelock Hunter, Oakland newspaperman, who brought his family to Mt. Diablo recently for a picnic lunch.

Hunter decided he'd show his children how an expert flies a kite. The huge kite zoomed skyward with little effort and pop beamed with pleasure and accepted the congratulations of the small fry.

Then he reached for a cigaret, anchoring the darting kite temporarily to his leather key-container while he lighted the smoke.

"They ought-a do something about those Mt. Diablo air currents," mumbles Hunter today.

No sooner than he let go of the kite string when a gust of wind shot the kite still further aloft with the keys dangling out of reach of all the Hunter party.

Hunter, his three older children and their dog Boots took off in pursuit following the kite toward Tassajara.

Then the air currents varied again. So did the pursuers. Then a stiff wind caught the kite and keys disappeared over a knoll in the direction of Marsh Creek.

It took a little while for Hunter to get in his auto without keys and a good bit of upholstering had to give way. All the family including the dog leaped in.

The merry chase led to Marsh Creek, Byron, Brentwood, then back to Marsh Creek Road. About dusk they found the keys tangled on the limbs of an oak tree.

Hunter has only one admission.

It was a bit off-season for kite flying, he concludes.

Katherine Lyser Wins Scholarship

Katherine May Lyser of Lafayette has been awarded the Joseph Bonnheim Memorial Scholarship by the Committee on Undergraduate Scholarships on the Berkeley campus of the University of California.

Announcement of her award was made by Professor Gerald E. Marsh, committe chairman.

Katherine is a freshman in the College of Agriculture on the Berkeley campus of the University of California.

No Mud Slinging Here – It's All for Practial Purposes

Assemblyman Robert Condon and his wife are practical people.

Their recent two week's vacation at Mt. Lassen National Park netted them 200 pounds of mud. Not just ordinary mud, but volcanic mud which Mrs. Condon hopes to convert into some lovely ceramics.

Mrs. Condon teaches a ceramics class for the Diablo Art Association which meets every Monday at 3 p.m. in her studio at 1501 Boulevard Way, Saranap.

"Volcanic mud has an excellent consistency and texture for ceramic work," Mrs. Condon explained.

She said the mud was obtained by lowering pots into the boiling mud springs on the slopes of the volcanic crater. She and the Assemblyman brought it out by pack mules.

HOW ARE SPARK PLUGS?

So long as the engine keeps running, the modern motorist pays scant attention to the spark plugs. Yet they must be absolutely right to assure good performance throughout the engine's power range.

Inter-Club Photo Contest Monday

Photographic work of more than 30 camera clubs will be displayed when the monthly inter-club competition of Northern California Council of Camera Clubs is held in Walnut Creek Monday, 8 p.m.

The exhibit of black and white prints and color slides will be at the new Recreation Building in the City Park.

Host organization will be Contra Costa Camera Club, member of the Camera Club Council, directed by President A. C. Dippo.

At the end of each year, council trophies are awarded to the camera club with the most monthly winners. In 1950, Contra Costa Club placed second in the Salon classification and is now leading in the color slide competition.

'SWEETHEART OF VALLEY'

Let's Act on Grand Jury Report

The 1950-51 County Grand Jury report was recently made public. (See summary, this page.)

We presume that this report will end up the same place as most of its predecessors—on the shelf, with little or no action taken on the Grand Jury's recommendations.

We believe that the workings of a Grand Jury are of the utmost importance in our form of government. When 19 of our able citizens spend a whole year investigating, and studying, their recommendations should be considered carefully and acted upon by our county and district officials. Too frequently our officials ignore the recommendations—sometimes they don't even analyze the report.

This is a serious situation of which the people should be informed.

A year ago we analyzed the excellent report of the 1949-50 Grand Jury. It had numerous recommendations to help increase governmental efficiency and decrease waste.

Then six months ago we carefully listed all the recommendations. We sent the list to the chairman of our County Board of Supervisors, H. L. "Jack" Cummings, and asked him to please let us know what happened to each of the recommendations.

Mr. Cummings promised us he would find out about this. We know he has been busy and it is not an easy job, so we patiently await his reply.

Meanwhile, we join citizens in other Bay Area communities to strongly urge that the Grand Jury's recommendations be given full consideration by our public officials—and placed into effect when warranted.

Grand Jury O. K.'s Departments; Terms Hospital Firetrap, Asks Airport Lease

Terming themselves "handicapped due to lack of information and experience" in starting functioning immediately, suggested changes in the grand jury system and two major recommendations for county improvement were stressed in the 1950-51 Contra Costa Grand Jury report.

E. C. Kain, Pittsburg, foreman of the jury, delivered the final report on behalf of the body to Superior Judge Hugh H. Donovan June 29, before the panel was discharged from further duty.

Strong commendation was given personnel of every county department. The jury stressed "the most deplorable condition in the county today is the Contra Costa Hospital at Martinez" and recommended follow-up on present improvement plans, and also recommended leasing of Buchanan Field, which is "showing a loss to the tax-payers of about $1,500 a month, to a private party or parties."

IN A LETTER addressed to Foreman Kain, report of the jury Hospital Committee (Harold Ritchie, chairman; Francis Wilson and Harry Tezzi) tabbed conditions existing at the County Hospital as "appalling."

"We feel that the general public is unaware of the outmoded, antiquated and inadequate facilities." They termed the hospital a "firetrap" from which it "would be virtually impossible to remove the patients should a catastrophe of any kind occur in the overcrowded building."

Dr. George Degnan, medical director of the hospital, was particularly commended by the jury for his fine work. The committee found "medical direction and administration of the hospital to be excellent and the care of the patients comparable to that given in any private hospital."

"Under Dr. Degnan's direction," the report continued, "the hospital, despite physical limitations, has become an accredited institution."

IN VIEW OF THE operation deficit at Buchanan Field, county owned airport, the jury suggested leasing the field as the county "has been constantly losing money on this project."

Accounting procedures of the county were termed "excellent," and heads of other departments were urged to lend their utmost assistance to County Auditor-Controller D. M. Teeter in "coordinating all accounting records and procedures of the county."

"Businesslike approach in connection with employment of department personnel" in the Social Welfare Department impressed the jury, which urged a continuance of the policy.

THE DEPARTMENT WAS commended, in conjunction with the District Attorney's office, in handling cases where public aid was fraudently obtained and taking action against deserting fathers. Recommendation from the committee was that the 1951-52 grand jury "give attention to constructive legislation leading to adequate aid for the needy and at the same time, thought and protection of the taxpayer."

It was pointed out that Contra Costa County was second lowest in expenditures among the 10 largest counties.

"THE LAW ENFORCING agencies of Contra Costa Couty are doing an efficient job in enforcing the law and combating crime," according to the grand jury.

The Law Enforcement Committee considerel "an honest and earnest effort is being made by all concerned to faithfully perform their duty.." The "difficult work load" was cited, with "crowded conditions, a changing employment situation. transient population of different races, creeds, etc., and undesirables attracted to this section during the war years, to color the picture.

Praise was given operation of the county jail and prison farm, and the district attorney's office was also complimented on its efficient operation.

RECOMMENDATIONS were that a survey be made and additional workers given to the sheriff's office; a system of overtime pay be instituted in order to give fuller police coverage at all times and that additional office space be made available to the district attorney.

All persons associated with work of the Juvenile Hall were praised by the jury; Jack Glass, superintendent of Juvenile Hall; John Davis, county probation officer their staffs, and Superior Judges Hugh H. Donovan the work of the juvenile division is "by far the most important and far-reaching in its consequences," the jury cited an excellent job.

The road commission and supervisors were credited with trying "to keep roads and bridges in the best possible condition with the money allotted to them."

TO CONSTRUCT ROADS for present day traffic, the only means of raising funds would be a bond issue which would enable the roads to be brought up to standard," the jury averred. It suggested public education on the necessity of a bond issue for this purpose.

Hospital buildings and office buildings were found by the jury to be overcrowded, but the memorial building, library, garages and shop posed no immediate problem.

Recognizing the "growing pains" of county schools, the panel noted "satisfactory progress being made in the educational system" in spite of handicaps.

"THE COUNTY HAS EVERY right to be proud of its school system" the jury said in highlighting the "excellent cooperation" existing between the schools and the county office.

The school health service, special services the policy of having specially trained supervisors who visit the schools to consult with principals and teachers were commended.

The purchasing and supplies department, that of the agricultural commissioner and the coroner's office all were approved for their method of handling duties.

Plan to Attend

11th Annual Contra Costa County FAIR and RODEO

4 BIG DAYS
AUGUST 9 10-11-12

- Rodeo and Horseshow
- Booths and Exhibits
- Athletic Events
- Entertainment, Dances

FAIRGROUND S, ANTIOCH

Here and There in Orinda

Square Dance July 28 At Orinda Park Pool

A square dance is scheduled for members and guests of the Orinda Park Pool on Saturday, July 28. Bob Ross will act as "caller," and dancing will start at 9 p.m.

A potluck supper at 8 p.m. will precede the dance. Anyone interested in the supper should call Laura Cooper at Orinda 2282.

Orindans Usher at Dorsey-Rogers Rites

Eugene Shurtleff and Walter Bowker III were two of the ushers at the June wedding of Anne Machir Dorsey and Jack Rogers .

The marriage was performed at the home of the bride's uncle and aunt, Dr. and Mrs. R. J. Kerner of Arch Street, Berkeley, the Rev. Albert Olson of All Souls Episcopal Church, Berkeley, officiating.

The newlyweds honeymooned at Ensenada, Mexico, and are now making their home on La Loma Avenue, Berkeley.

Maddoxes Entertain Manzanita Branch

Members of the Manzanita Branch, Children's Hospital of the East Bay, entertained their husbands recently with a barbecue at the home of Mr. and Mrs. Robert Maddox on La Espiral.

Mrs. Maddox is chairman of this branch.

Cocktails were served previously at the William Youngs, also on La Espiral.

Other Orindans joining in the fun were Messrs. and Mesdames Laurence Collins and Joseph B. Downs.

Mountain Sheep Film

Wilbur Twining is making a movie of mountain sheep of the Sierra Nevada, which he hopes will be a unique and interesting series of pictures to exhibit upon his return.

Mrs. Allen Griffin Wedding Attendant

Mrs. Allen Griffin of Orinda was matron of honor at the July 7 wedding of Joanne Alice Scheider and Paul John Cortese at Piedmont Community Church, with six other adult attendants and a flower maiden also in the briday party .

The bride's parents, Mr. and Mrs Edward Alexander Scheider, came from the Hawaiian Islands to attend their daughter's wedding.

Among the many pre-nuptial parties arranged for the bride-elect prior to her marriage was a tea with Mrs. Carl Meurk as hostess, and a buffet supper and kitchen shower honoring the future bride, given by Mrs. William Patterson.

Marjorie Stow Leaves for Europe

Marjorie Stow, secretary at Worden Travel Agency, Orinda Crossroads, left this week for a two months tour of Europe. Included in the tour will be visits to England, France, Italy, Belgium, Switzerland and Germany, via Trans-World Airlines.

Miss Stow is the daughter of Mrs. Ruth Stow, 1721 Almond Court, Walnut Creek.

Winsors Trout-Fish In Lake Basin Area

Assistant Fire Chief Al Winsor and Mrs. Winsor spent last weekend at Pioneer Lodge, Yuba Pass, above Downieville in the Lake Basin country. They went trout fishing, and Winsor reports that they caught fish but that the fishing wasn't too good.

Del Monte Holiday

The J. J. Federighis and J. E. Bryants have been enjoying a holiday at Del Monte.

STORK CLUB

Mr. Stork Gets That Sleepy Hollow Habit

The Sleepy Hollow stork seems oblivious to the gnashing of teeth and tearing of hair on the part of Joseph Sheaff, superintendent of schools, and keeps increasing the population by leaps and bounds.

THE YATES BLEUELS of Tarry Lane had a new daughter delivered at Alta Bates Hospital on June 21, Molly weighed 6 pounds, 14 ounces, and is only 16 months younger than her sister, Denise. Molly's grandparents are the Maurice Bleuels of Miner Road.

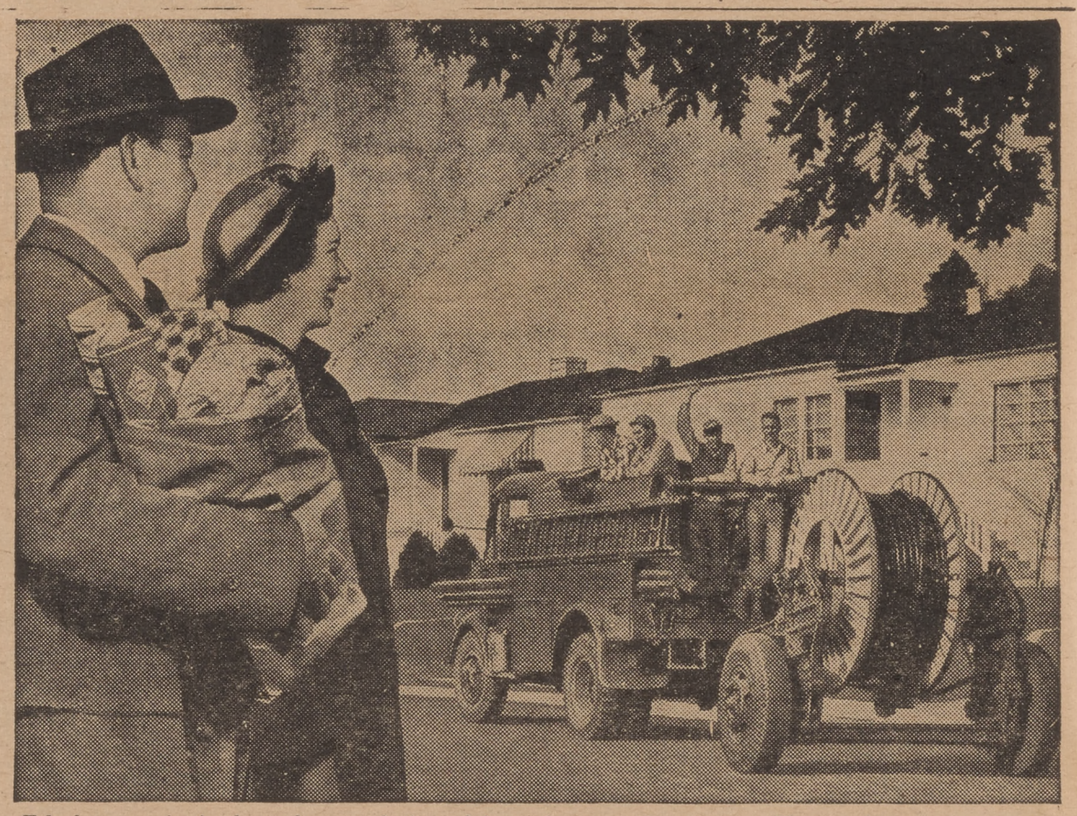
DR. AND MRS. CHARLES BECHTOL of Van Ripper Lane also were left a new daughter by that long-legged bird. Nancy, weighing 7 pounds, 2½ ounces, was born June 20 at Merritt Hospital. Nancy has two sisters, Kathleen, 6, and Bonnie, 3, and a brother, Kenneth, 4 1/2.

RANDALL BRADFORD WILLIAMS, son of Mr. and Mrs. Robert Williams, now lives on Katrina Court. He was born at Alta Bates Hospital, July 6, weighing 7 pounds 11 ounces. His big brother, Kent, is 21 months old.

THE RICHARD FAYRUMS of Sleepy Hollow Lane had a new baby daughter mixed in with their fireworks. Margaret was born on the Fourth of July at Alta Bates Hospital. She also has a big brother, David, almost 2.

ANDREW OTTO

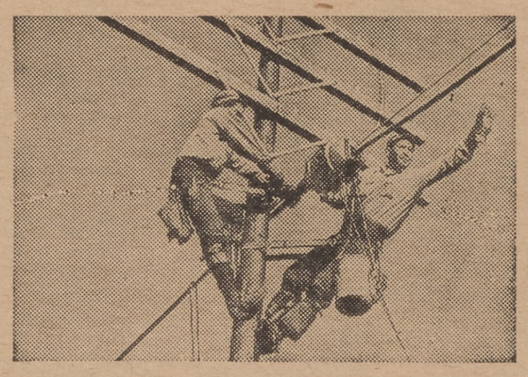
Mr. and Mrs. Alfred Paul Otto Jr., of Orinda are now counting a threesome of children among their possessions. Latest arrival is Andrew Partridge Otto, born at Alta Bates Hospital July 13. His older brother, Alfred Paul Otto III, and sister, Lynne Marie, are delighted with the new brother.



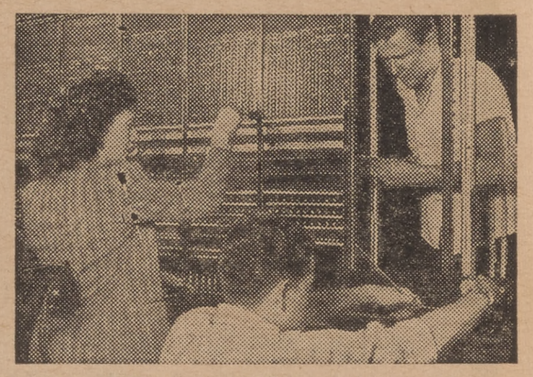
Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS

We're putting many millions more into telephone facilities this year



1. All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on . . . in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.

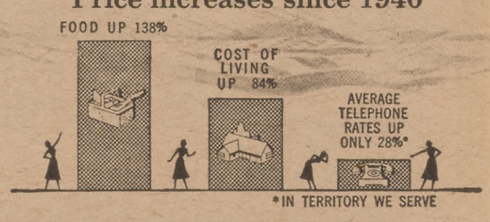


2. New facilities, installed in just the past five years have increased our plant $660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

3. It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about $400. Before 1940, the average was about $250. Yet rates are up far less than our costs of providing service. . on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

Pacific Telephone

Price increases since 1940



Your telephone is one of today's best bargains

CALENDAR OF EVENTS

SUNDAY, JULY 22

Services at Orinda Community, St. Stephen's Episcopal, Santa Maria and Christian Science Churches.

Pilgrim Fellowship, Orinda Community Church, 7 p.m.

Flies to Capitol

Lance Barden flew to Washington, D. C., last week on a 10-day business trip.

Visitor from Ohio

Ira D. Howell, of Alliance, Ohio, is visiting his cousin, Dr. Murray H. Groves, and family.

DON'T RACE TRAFFIC LIGHTS

Don't race the traffic lights at busy intersections, advises the National Automobile Club. If you make it across that intersection at 50 miles per hour while the lights are changing from yellow to red, you may save a few minutes but you may also lose your life.

Christian Science Sermon Topic — 'Life'

In the Lesson-Sermon on the subject "Life" to be read in all Christian Science churches next Sunday, July 22, these verses will be included among the Bible citations:

Jeremiah 2:5: "Thus saith the Lord, What iniquity have your fathers found in me, that they are gone far from me, and have walked after vanity, and are become vain?"

Habakkuk 2:20: "But the Lord is in his holy temple: let all the earth keep silence before him."

A correlative citation from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will read as follows:

"The chief stones in the temple of Christian Science are to be found in the following postulates: that Life is God, good and not evil that Soul is sinless, not to be found in the body; that Spirit is not, and cannot be, materialized that Life is not subject to death; that the spiritual real man has no birth, no material life, and no death" (p.288)

The Happy Country Folk

BY EDITH BOLMAN

The Happy Country Folk are still watching with interest the progress of the Minerva in the Honolulu yacht race.

At this writing the Jeltons are 520 miles from Honolulu and are doing fine.

They certainly gave us the fidgets, however, the first four days after their departure from Los Angeles. Their radio went on the blink and we had no way of knowing whether they were going forwards or backwards and we couldn't figure out how they'd know, either—without a radio, that is.

Of course, we have never sailed anything bigger than one of those celluloid gadgets in the bathtub, so that accounts for our lack of navigational knowledge, but evidently the Jeltons knew what they were about, because when their radio finally konked back in again they were right where they were supposed to be.

ANOTHER BOAT RIDE of interest was taken by the Roger Starks and children Barbara and Dicky on their visit with the Norris Wiggins at Rainbow Lodge on Donner Summit.

They skimmed around on Lake Tahoe and withdrew therefrom enough trout to bring home to stash away in the deep freeze. At Squaw Valley they rode the ski lift to the top of the mountain to see the view, while the rest of us stayed home and rode the family bus to the top of Tilden Park to view the sea.

T hen they went to Ice Lake, where Barbara celebrated her birthday by swimming across, thereby astounding the natives with her prowess. And now all are home again to stage the Battle of the Bendix which seems to be the sudsy sequel to all such summer sessions.

MRS. EUGENE TERRY has arrived from Baltimore to spend the summer with her daughter Mrs. Fred Goodwin. Also visiting Mrs. Goodwin is her aunt, Mrs. Franklin Davis. With Kay and Terry Goodwin they are going to spend a few days at Lobos Lodge at Carmel.

Mike Elvidge is visiting friends at Tahoe.

Mr. and Mrs. Carl Dailey are just back from a flying business trip to Detroit. Daughters Patsy and Peggy recently visited their cousins in Los Angeles.

Friends of Mrs. Ambrose Macdonald are sorry to hear that she is in the hospital.

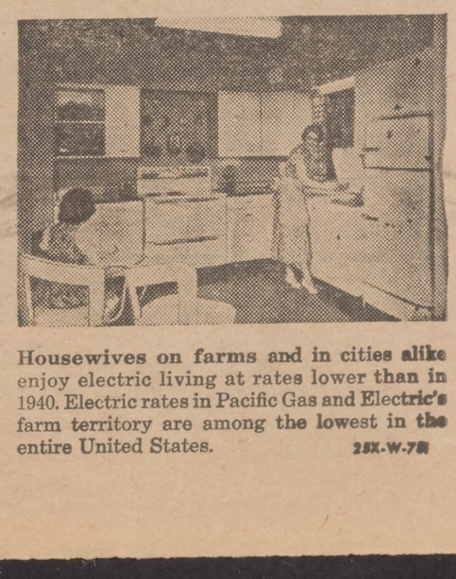
FRANK WATTS AWARD
SPONSORED BY FARM JOURNAL
FOR
EXCELLENCE IN PROMOTING FARM ELECTRIFICATION AS A PRODUCTIVE FORCE FOR BETTER FARMING AND BETTER LIVING
FIRST AWARD 1950
PACIFIC GAS & ELECTRIC COMPANY

P. G. and E. WINS ANOTHER TOP U.S. HONOR FOR SERVICE TO FARMS!

The average California farm last year produced $16,000 in crops, *three times* the national average. A real help in making these farms so productive is the widespread use of low-cost electricity. Pumping of irrigation water, for example, averages only 3½% of production costs, increases crop yield 20 times.

So outstanding is the role of electric power in aiding California agriculture that P. G. and E. was judged by Farm Journal Magazine as best in the U. S. "... *in promoting farm electrification as a productive force for better farming and better living.*" You'll be interested in how P. G. and E. brings greater prosperity to the farmer—even if you live in a city—for 40% of the business in California cities depends upon agriculture.

P·G·and E·
PACIFIC GAS AND ELECTRIC COMPANY



So that farmers' pumping plants will deliver the greatest amount of water at lowest cost, P. G. and E. maintains pump testing crews that save thousands of dollars for customers. This service is free.

A staff of over 100 Farm Power Advisors is maintained by P. G. and E. to help farmers get maximum efficiency from electric installations at minimum cost for power. Last year these men made 39,326 free calls.

Even remote farms in mountain areas enjoy metropolitan utility service. From August of 1945 to last December, P. G. and E. built over 14,000 miles of rural lines. At present over 98⅓% of California farms are electrified.

Housewives on farms and in cities alike enjoy electric living at rates lower than in 1940. Electric rates in Pacific Gas and Electric's farm territory are among the lowest in the entire United States. 25X-W-78

Rotary Assembly Replaces Luncheon

Orinda Rotary will hold an 8 p.m. club assembly next Wednesday night at the home of Maynard Beuhler in lieu of the usual luncheon meeting. There will be a round table meeting at the Willows at noon that day, according to President Joseph Sheaff.

The club is anticipating the visit of District Governor Dr. Ed Rutledge of Richmond on August 1 for a review of Rotary aims and program procedure for the year.

Members of the local service club are selling tickets for the Baseball night planned for Emeryville Ball Park July 31 The ticket sale will benefit Mt. Diablo Child Therapy Center.

Orinda Rotary has joined forces for this benefit with the Rotary Clubs of Lafayette, Walnut Creek and Concord.

Mrs. Blue, 2 Sons Back from Midwest

Mrs. C. L. (Mollie) Blue and two boys returned last Friday from a month's visit to her parents, the Clyde E. Phelps of Chicago.

While there they spent some time at the Phelps' summer home at Twin Lakes, Wis., and at the summer home of Mr. Blue's parents on Sylvan Lake, Ind. Time flew with these visits and seeing many old friends.

The trip both ways was by "Vista Dome Zephyr," which Mrs. Blue thought a scenic and comfortable way to travel with small boys.

Orioles Present $900 to Board of Therapy Center

Mrs. Carl Wellington Smith, president of the Orioles, the Orinda afternoon section of the Mt. Diablo Child Therapy Center, reports that her group presentetd the Board of Directors of the center a check for $900 at the last board meeting.

The Oriioles nad voted to contribute this sum for purchase of a diiathermy machine and for the fund which cares for non-paying patients.

The board expressed great gratitude and pleasure at the Orioles' gift.

Rev. Matthews To Preach at Orinda Community Church

Rev. Godfrey Matthews will supply the pulpit of Orinda Community Church during the month's vacation of the pastor, Rev. Fred Morrow, who with his family and George Trimble will be fishing, hiking and camping in the Kings River Canyon country of the High Sierras.

Rev. Matthews will conduct the 10 o'clock service for four Sundays beginning this Sunday. During the first half-hour when Sunday School children are present, he will tell the youngsters a story in his inimitable fashion.

Vocal and instrumental music will be heard a each service. Stanley Hunn will be soloist this Sunday, with Dorothy Turk at the organ.

Persons needing special pastoral service between this time and August 17 will be able to call the Rev. Matthews in San Francisco at Hemlock 1-6175.

Dedication ceremonies for the new chapel and classroom building and the social hall-kitchen unit are being planned for the week of September 17-23, with a committee headed by Fred Twining in charge. Inspection of the building progress is invited at any time.

Ogden Family Back From 2-Wk. Vacation

Mr. and Mrs. John Ogden and their two boys spent June 29 through July 13 at Florence Lake, highest of the three lakes in the Edison Dam project, and in Tuolumne Meadows.

While in Yosemite Valley, all took an 18-mile bicycle ride through the floor of the valley.

Later Mrs. Ogden is taking Jack and Carl to a camp at Forest Home while she visits relatives in Hollywood and Westwood Hills.

Nancy Soule Tells Of Engagement

Close friends invited to a luncheon at Claremont Country Club last Friday were told by their hostess, Nancy Pomroy Soule, of her engagement to Ward Alden Madeira of Berkeley.

Special honor guests were Mrs. S. Bradstreet Hoyt, former classmate of Miss Soule's at Katherine Branson School for Girls in Ross in their prep school days, and Mrs. Hoyt's sister-in-law, Mrs. Henry Sturgis Russell Jr.

THE BRIDE-ELECT, a member of one of Oakland's oldest families, is the daughter of Mrs. David John Findlay of Orinda and Everett Pomroy Soule of Lafayette. Her grandparents were the late Mr. and Mrs. Beach Soule of Oakland and of Vernon Hardy of San Francisco.

Mr. and Mrs. Beach Carter Soule of Lafayette, who have just made an extensive European trip, are her uncle and aunt.

She is also niece of Mr. and Mrs. Frank Z. Soule of Orinda and Mr. and Mrs. Aten Lytle of Santa Barbara.

MISS SOULE graduated from the University of California last June, where she was affiliated with Alpha Phi sorority and Prytanean honor society. She is a provisional member of the Junior League of Oakland and is a member of Spinsters and Dames and of the Heather Branch of Children's Hospital of the East Bay.

Mr. Madeira, son of Mr. and Mrs. Ward Arthur Madeira of Berkeley, received his degree from U. C. He was a member of Delta Tau Delta Fraternity on the campus.

After serving as a lieutenant in the United States Army in the Pacific theater in World War II, he was graduated from Stanford School of Business Administration. He has one brother, William Madeira of San Jose.

Letter from Germany -- Writer Complains of Today's Conditiions

A letter to Mrs. Challiss Gore from her young German friend, Christine Hotzelmann, in Niedersachen says she is very unhappy because of the last elections.

The big parties, she said, are the Christian Democrats (Catholics, Socialist, Liberalist, groups of driven-out and unjustly treated Germans who had to leave their towns and villages in the eastern provinces and who still live in bad conditions), and the S.R.P.

The S.R.P. is led by the former Major Remer, the same officer who destroyed the endeavors of the 20th of July, 1944, when officers tried to kill Hitler. He was the man who captured these officers and saved the situation for Hitler. Today he is the leader of a party which was until now a very small group, but in the last elections won thousands of electors.

He uses the same methods as Hitler did, according to the letter, even playing the "Badenweiler," Hitler's best-loved march, which was always played when he entered a room.

REMER AND HIS PEOPLE are described as Neo-facists. They say, "Now it is bad ,there are many unemployed ,prices are high, taxes are higher than even the price itself and 1938 under Hitler was a much better life." They don't realize these difficulties and miseries are the result of Hitler, it is pointed out.

This young German writer goes on to say that the occupation costs make all unhappy. The costs for the British, French and U.S. garrisons total 9,000,000,000 marks while the Germans have only 16,000,000,000 in all !

IT MEANS SHE HAS TO work four hours to buy one pound of butter, one hour for three pounds of bread, 45 minutes for one pound of sugar ,and three days for one pound of coffee.

She complains that England sends iron to Mao Tse Tung and tries to handicap Germany in every way. Germans have to live in crowded houses, she says, while the British erect fine houses for which the Germans have to pay.

These and many other actions help the radicals who say they won't assist the Western Allies, Christine Hotzelmann points out, adding that this is bad for Germany and for the allies, too.

12-Voiced Singing Surprises Dashiell

The most surprised man in Orinda last Saturday night was Bob Dashiell of Van Ripper Lane.

All ready to celebrate the evening elsewhere, he was greeted on entering his living room by "Happy Birthday" sung by 12 guests, invited for barbecue and bridge.

Sleepy Hollowans among the guests were Messrs. and Mesdames Berton Kohler, William Witter and Joseph Downs.

Don't burn without a permit.

Chit and Chat about Don and Donna

BY MARY THIES

DID SOMEBODY SAY summer was the warm time of the year? Oh, well—live and learn!

First I'd like to catch up on some late news (which is just about all I have this week).

Frank Teiche, Jan Erikson and Gary Reick returned from Los Angeles a few weeks ago. Jayne Kirk also speent two weeks visiting there.

ANY DON OR DONNA who visits Alta Bates Hospital is likely to run into Ted Sanford, who is an orderly there. Just watch all the girls suddenly acquire complicated and mysterious diseases!

Tahoe is always a favorite Summer spot, and Marita Lyon spent a week there recently. She stayed at Cal Neva with her parents.

When Janet Bailey, Margaret Keyes, Margie Winterton and Francie Lageson left for a two weeks' vacation, they were heading for Mt. Hermon. There they attended a Presbyterian Church conference.

Carol Rucker and Ardith Nave recently spent a week at Russian River.

WHAT'S THIS I HEAR about Joanne Willitts? She was an honored guest of a certain airlines? Oh—not quite! Well—at least, she did get that special cruise around the bay. Big celebrity, huh?

Anyone looking for a good volley ball game just drop in at the Park Pool some afternoon.

Warning—don't come if you have tender feet. The ball just refuses to stay in the court.

That's all the latest gossip for now, but I'll be back next week—same time—same place.

Moraga Del Rey Elects Officers

New board members of Moraga Del Rey Community Association were elected at the annual picnic held at St. Mary's picnic grounds.

In addition to the two holdovers from last year, R. E. Thies and Jerry McKinley, newly elected memebrs are Elmer Fries, A. D. Gordon, William Faisst, Les Felting and Lars Jacobsen.

The board met at the home of outgoing President Harold Cannon.

New officers are President E. Rahmeyer, Vice-President A. Hay, Secretary-Treasurer Mrs. John Quinley.

Captain R. E. Hale In Engineer Brigade

Captain R. E. Hale on 3 Las Palomas began his two weeks of summer training Sunday with the 414th Engineer Brigade.

Captain Hale, who is the Supply Officer of the brigade, says that there are many fine openings left in the unit which is a supervisory engineer unit. Anyone interested should contact him for further information.
